Variset VZ range

Double width island bench with seven aluminium slats

VZ3

PLAN

PROJECTION

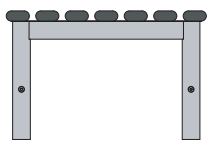

The finish of the range is powder coated in colour combinations from the full RAL range.

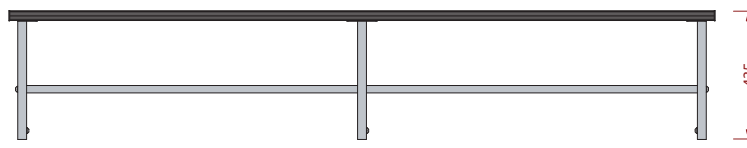

Framework is made from hollow section heavy gauge steel tube and is a fully welded assembly.

Seats are produced from extruded aluminium slats 32 x 75mm and are cut to order. Lengths must be agreed and signed off prior to manufacture.

Hidden floor fixings supplied as standard, plastic foot and height adjuster options also available. Images below show, from left to right, hidden floor fixing, plastic foot and height adjuster.
